## Class 3 Student of the Week

This week's Student of the Week in Class 3 is:

**Jake Gregor**

Well done Jake!

## Trim Trail

The Trim Trail is for children's use during school hours when they can be supervised. Please can children refrain from using the Trim Trail before and after school. At these times there is no supervision available and this causes concern from a health and safety point of view. Before and after school children should only be in the actual playground and should not stray onto the field or Trim Trail. Thank you for your co-operation in this.

## End of the School Day

At the end of the school day, the gates in the playground will be locked at 3.10pm for security and health & safety reasons. Children in After School Club often use the playground therefore it is essential that the gates are locked. If, for some reason, parents are running late and their child is not attending the After School Club, they will need to come to either the library door or reception at the front of the school, to collect their child. Thank you.

## Closure Day

Please note that Monday 30<sup>th</sup> October is a school closure day for staff training.

## Biffa Visit

We very much enjoyed the visit, organised by Elliot's Mum (Pebbles), of three Biffa lorries to our school grounds. Children were able to find out about a road sweeper, a rubbish lorry and a recycling lorry. They loved climbing into the cabs and seeing the different controls. We learned a lot about how rubbish is collected and how important it is to recycle. Below are a couple of photos - there are more on the website.

## After School Club

If you know that your child will be attending After School Club, please, if possible, could you telephone the school before lunchtime on the day that they wish to attend to let Mrs Olds know or put a note in their Home/School diary. Ms Gribbon buys fresh bread etc daily for snacks and sometimes there has not been enough to feed every child. We fully accept that there will be occasions when unforeseen circumstances will dictate, and this we understand but if we have a rough idea of numbers, this helps with refreshments. Thank you.

## Poppy Appeal

After half term, the Y6 children will be selling Poppies during break and lunchtime. This year, other merchandise such as wristbands/reflectors/friendship bracelets, are also available to purchase. Attached to the newsletter is a note from the British Legion with suggested donation prices should children wish to have an alternative to wearing a poppy. If your child would like to wear a Poppy or purchase an alternative item, please send them to school with a small donation. Thank you.
