This week's Student of the Week in Class 3 is:

Ollie King

Well done Ollie!

Musical Assembly

Today we were very fortunate to have a musical assembly delivered by Mr Stuart Macquarrie, our violin teacher. Mr Macquarrie played some lovely pieces of music on the violin and banjo and even demonstrated sound effects using the violin! Mr Macquarrie began learning to play musical instruments at the age of 8, with the violin, when he was a pupil at Kehelland Village School!

KS 1 & 2 SATs Tests

The dates for the KS1 and KS2 SATs tests are:

KS1 Week beginning 21st May (Y2 children)

KS2 Week beginning Monday 14th May 2018 (Y6 children)

I would be most grateful if parents could keep these dates in mind when planning any holidays or short breaks away. Thank you.

Pupil Progress Meetings

On **Tuesday 20th March (Classes 1, 2 and 3) and Tuesday 27th March (Classes 1 & 2) from 3.20pm - 5.30pm** we will be holding Pupil Progress Meetings. These meetings are purely to discuss your child's academic progress - any other issues or concerns that you may have, please make an alternative appointment to discuss these. After half-term, an appointments sheet will be on display in the shelter outside of Class 1 and we would ask that parents pick a convenient time slot by writing their names against it.

Homemade Marmalade

Mrs Davies' Seville orange marmalade (made by Dr Davies) is now available at a cost of £2.00 per jar. All proceeds will go to the Pebble Wood Project in memory of Mrs Sara Illsley. Please see Mrs Davies if you would like to buy a jar of this delicious marmalade.

Towan Lighthouses

Unfortunately, Oliver Thompson was unable to take the Towan Lighthouse home with him today as we did not have one in school to present to him. We have located the whereabouts of one Towan Lighthouse but are still missing the other. Please can all Towan children have a really good look at home over the weekend to find the missing lighthouse. Thank you.
