Class 3 Student of the Week
This week's Student of the Week in Class 3 is:

Jasper James

Well done Jasper!

Virtues

After half term, we will be learning about **Cleanliness** and we will update you fortnightly on which particular virtue we are learning about.

Year 3 children

On Friday 23rd February, Y3 children will be attending a Go Active Festival at Carn Brea. The festival runs from 9.30 - 12.00 noon. **Children will need their PE Kit, a water bottle and a packed lunch.**

Thank you.

KS 1 & 2 SATs Tests

The dates for the KS1 and KS2 SATs tests are:

KS1 Week beginning 21st May (Y2 children)

KS2 Week beginning Monday 14th May 2018 (Y6 children)

I would be most grateful if parents could keep these dates in mind when planning any holidays or short breaks away. Thank you.

Pupil Progress Meetings

On **Tuesday 20th March (Classes 1, 2 and 3) and Tuesday 27th March (Classes 1 & 2) from 3.20pm - 5.30pm** we will be holding Pupil Progress Meetings. These meetings are purely to discuss your child's academic progress - any other issues or concerns that you may have, please make an alternative appointment to discuss these. After half-term, an appointments sheet will be on display in the shelter outside of Class 1 and we would ask that parents pick a convenient time slot by writing their names against it.

School in a Bag

Your child will be coming home today with a smarties tube to fill with 20p coins as a way of raising funds for the charity School in a Bag. School in a Bag produces and distributes school bags with stationery, exercise books and feeding equipment for vulnerable, poor and underprivileged children all over the world. Each bag costs £20 to produce, fill and send to a child. Please encourage your child to raise as much money as possible. This is being organised by the PTA who will be providing collection tubes in each classroom, after half term, where children can deposit any 20p coins they collect. More information can be found by visiting their website: www.schoolinabag.org.

There is also a demonstration bag in school if you wish to have a look.

Children may bring in any coins as and when collected but we would ask that all collections are in the classroom tubes by Wednesday 28th March. Thank you.

Love My World at the Kehelland Trust Centre

Mrs Florence is running a special Love my World club on Monday 12th February at the Kehelland Trust Centre from 1.00pm until 3.00pm. Admission is £5 per child or £7.50 for two. Parents are welcome to stay or they can drop off and collect. Parents with children under the age of 4 must, however, stay with them. There will be a chance to explore the wildlife area, take part in various activities using natural materials as well as a snack and games. Further details can be obtained by contacting Mrs Florence on:

Coose Trannack Cross Country - Saturday 17th March

We have been invited as a school to enter the Coose Trannack Cross Country event. This event is held on a Saturday and is open to all children from reception to Year 11. The event is held in Coose Trannack Woodland on a sloping and quite challenging course. If your child would like to take part, please could they let Mr Roskilly know, after half term, and he will give them the relevant information.

Pebble Wood News! - Volunteer Hedge Builders needed!

Thank you to everyone who helped to support the blue token collection at Tesco. We are delighted to have received a grant for £2000 to continue the Pebble Wood Memorial project. As a result, a weekend of hedge building has been planned for Sat 24th and Sun 25th February from 10am. This is being organised by Lucy Trinder (former parent). We are looking for volunteers who would like to be involved in building the hedge. No previous experience is required as we have expert guidance who can teach you how to build a Cornish hedge - good opportunity to learn a new skill and help a worthy cause at the same time! If you are available for one or both days and are interested, please call Lucy Trinder on 07580 519182. We are hoping to be able to build sufficient hedge to get planting in the Spring so everyone can start to enjoy it and watch it grow!
