Message from Miss Harvey

This week I was pleased to welcome Mr Kenworthy from Camborne Science and International Academy. Year 5 and 6 pupils were highly entertained by his tales of overseas adventures and the many interesting artefacts he has collected in on his travels. Pupils have invitations to open evenings at the Academy, details of which are in their own gift bags.

Today Mrs Orchard, Mrs Hollywood and myself visited Truro College to find out about Maths Mastery, we will be developing our maths teaching across the school are busy making exciting plans to help all our pupils become Masters of Maths.

Our virtue this week is Orderliness

Orderliness is seen in being neat and living with a sense of harmony. You are organised when you know where things are when you need them. We see orderliness in the way we solve problems step by step. Orderliness support us to "Care for everyone and everything". We can practise orderliness by putting things away in the right place, looking for and appreciating order in nature, taking time to plan how we tackle jobs and by helping others to create order.

***Challenge:** Create order in your bedroom this weekend, by making sure all your school bags are ready for school before Monday morning.*

Class 3 Student of the Week

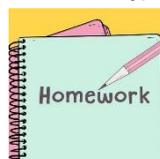

This week's Student of the Week in Class 3 is:

Kasek Johns

Well done Kasek!

Class 1 Homework

Pebbles now have their phonics homework in a folder. The wallets to hold their letter cards have not yet arrived so they are temporarily in a simple plastic sleeve. The Year 1's have this week's homework in their folders. In the front of their diaries, I have put the login details for Lexia, Active Learn and Spelling Shed. The letters in their wallets have been replaced by vowel digraph cards, which they need to practise very regularly. Thank you.

Aldi's Kit for Schools promotion is giving 20 primary schools the chance to win £20,000 to kick-start a health legacy for their school. What's more, every school who enters by completing their Aldi's Kit for Schools poster will also receive an exclusive school sports kit! Collect a sticker with every £30 spent in store and fill up our school's poster for a chance to win.

Giant Vegetable Competition

We have been asked to remind everyone of the Giant Vegetable Competition and Chillifest which will take place at the Kehelland Trust on **Saturday, 21st September, 2019**, from 11.00am. Full details are attached to this newsletter.

Swimming for the Academic Year 2019/20

After careful consideration and to be fair to all house groups we have decided to re-arrange the swimming dates. Each house group will swim twice this year for a period of 6 sessions each (total of 12 sessions). We hope this will help the children to progress without long periods of not being able to swim. They will also experience swimming both in the winter and summer months.

Teacher Training Opportunities

TPAT would like to let you know about some Teacher Training enquiry sessions being held for Teaching Assistants and perhaps the parents/carers of our pupils, plus any other interested staff, to find out about training to teach through TPAT, Cornwall Teaching School and SCITT. This term we are holding 3 enquiry afternoons, held in 3 different areas, that will hopefully be accessible for all. This is a chance for those interested in teaching to find out more about the different options and how the training will look over the year. It will also be an opportunity for people to find out about the qualifications needed to enter the profession, potential grants, bursaries and future career opportunities within TPAT.

The 3 dates and venues are:

24th September at Truro College (Fal Building, Room F001) - 2-3pm

8th October at Penwith College (room to be confirmed) - 2-3pm

20th November at Roche School 2-3pm

Diary Dates:

Sept 12 Governors Meeting - 5.00pm

Oct 21-25 Half Term

28 School Closure Day
