

20th September 2019

Message from Miss Harvey

Another wonderful week of weather - it has been wonderful to get outside and see the children all enjoying our beautiful school grounds!

On Monday we managed to spoil our wonderful TAs when we celebrated "National Teaching Assistant Day". Our school is so fortunate to have so many dedicated and effective support staff members, we really could not run the school without them!

Thank you for all the questionnaire returns - I have used them to confirm aspects of school development and will be sharing outcomes over the next few weeks.

Joanna Harvey

An invitation: Thursday 3rd October 2019

The Governors of the school would like to invite all parents and carers to attend a "Coffee and cake" morning to introduce themselves. We have had new governors join the board recently and this is your chance to come in and meet them, share your views and get to know them a little better.

The Governors understand that many of you may not be able to make this, so would like to remind you all that they are contactable via the school office, where you can leave post or collect email addresses.

Orderliness

This week we have seen some excellent examples of children working on their orderliness and amazing support to help others develop this virtue. We will continue to focus on orderliness this week and are reminded to consider how by being orderly we are helping others.

Discussion point: As a family, talk about the ways you could support each other by becoming more orderly.

Library

Our school library is in need of a little love! If you could spare some time in the morning to help us to keep it tidy and all the books in order, as well as supporting children to choose and change books, then please let us know of your availability - many thanks. There is the possibility of some training to support you in this role - please speak to Miss Harvey if you are interested.

Shoes

Several pupils have been wearing larger boots to school and although these are wonderful for outdoor sessions, we would ask that children also have a change of shoes in school so that they can wear lighter more comfortable shoes while they work. We have a few unfortunate incidents where the larger boots have trodden on, or come into contact with other children as pupils move around the classroom. Children may be asked to change into PE shoes if no others are available.

Lighthouse Keepers

Toby Laity - for settling in well and being really focused

Zenan Compton - for completing all homework tasks

Oscar Anstis-May - for working very enthusiastically and being focused

Class 3 Student of the Week

This week's Student of the Week in Class 3 is:

Ella Jones

Well done Ella!

Birthday Treats

Children are welcome to bring in cake or birthday treats to share with their classmates when it is their birthday. However, it has been decided that these treats will be shared amongst the relevant children at the end of the school day rather than at break time.

Milk Bottle Tops

We would be grateful if parents and grandparents, friends and family, could save any plastic milk carton tops which we could use for maths resources. Any colour will be acceptable. Thank you.

School Meals - week beginning 23rd Sept

Week 1 of new menu

Class 2 Homework Websites

Class 2 use the following websites to complete their homework.

www.spellingshed.com - to be used for practising weekly spellings (same log-in details as last year)

www.ttrockstars.com - to be used for practising times tables (log-in details in child's diary)

Lexia - to be used for spelling/reading practise (same log-in as last year)

Any issues or problems logging into any of these sites, please make a note in your child's diary and Mrs Hollywood will investigate.

Giant Vegetable Competition

We have been asked to remind everyone of the Giant Vegetable Competition and Chillifest which will take place at the Kehelland Trust tomorrow, **Saturday, 21st September, 2019**, from 11.00am. Full details were attached to last week's newsletter. Children in Class 1 have been to the Kehelland Trust this morning to make animals using various fruit and vegetables and these will be on display at the Centre tomorrow - see picture below and also on our website.

Diary Dates:

Oct	14	Last swimming session for TOWAN
	21-25	Half Term
	28	School Closure Day
Nov	04	First swimming session for PORTH
	07	Governors Meeting - 5.00pm
	15	Nasal Flu vaccination for Pebbles to Y6 children
