A small FAMILY School...
...with a BIG heart

Message from Miss Harvey

Dear All

Thank you for your continuing kind words and about the small changes we are making to life at Kehelland School. It is nice to hear such appreciation. I would again like to remind some that we are here to listen to your concerns and I will make myself available to each and every one of you, please do speak to me in the playground or phone for an appointment.

Please do take note of the diary section of the newsletter we update this most weeks and would be upset if you missed an important date.

This week you will receive our first "Questionslip" in your book bag. Please take the time to fill this in. Your responses can be returned via the parent post box in the playground.

Have a great weekend. See you at Apple day!

11th October 2019

CONGRATULATIONS

to this week's
Lighthouse Keepers:

EDWARD HENDRA

For his amazing progress in
writing

RUNA ROSE

For being helpful and using her
organisational skills in school

OLIVIA PARKIN

For her positive and enthusiastic
return to school

Class 3 Student of the Week

This week's Student of the Week
in Class 3 is:
Ellie May Richards

Courage

**Courage transforms fear into
determination.**

We have chosen courage as our next virtue to focus on.
Courage is bravery in the face of fear.
Being courageous means you don't give up! You try new
things; you admit your mistakes.

Our affirmation is:

I have courage.

I face my fears and am willing to try new things.

I have the courage to do the right thing.

Challenge: Try something new!

As a family this weekend try to do something new or try to
do something in a different way. We will be talking about
your courage in assembly on Monday.

Questionnaire Outcomes:

Once again thank you for all the feedback we had from the questionnaires.

Many of you were kind to point out that the school's website needs updating and we agree!

We are aiming to make the website as useful to current parents as possible and we are interested to know how you use it. We appreciate that currently there is more information from some classes than others and will start to work towards placing information about our curriculum as well as information about learning from each class each week.

More than one of you has suggested that we start a private school facebook page and to enable this we will be sending out image consent forms that reflect this change. Look out for these next week.

Diary Dates

October	
14 th	Swimming TOWAN Last session
15 th	Esafety workshops
16 th	TPAT heads visiting

Gardeners needed

We are looking for parents and carers to offer service to the school in the form of gardeners.

We are lucky to have amazing school grounds – but with that we have the need to keep weeds and brambles at bay.

If you are able to offer a short time at either the start of the day or just before the end of the day and could come equipped with clippers we would love to hear from you.

We need particular help to keep the front garden area in order.

Please let Miss Harvey know if you can help

Many thanks in advance

School Meals

week beginning 14th October
