Dear all

Just a quick note this week to wish you all a wonderful half term. I do hope that you all take time with your families to enjoy the best of the Cornish weather! In all seriousness do take care over the weekend in the storms, and thank you for your understanding over the heating issues this week!

Y5 - Lifeskills at Tolvaddon Fire Station

Junior Lifeskills aims to give Year 5, (9/10 year olds) pupils key skills that will benefit them as they develop. Children will visit different stands and learn from a range of subjects including road safety, safety on railway, life-saving and many more. GWR are organising this event. The children will leave school at 9.15am on Thursday 27th February, and travel by minibus to Tolvaddon Fire Station. The event lasts for approximately 2 hours, so children will be back in school in time for lunch.

Cornish Schools Maths Olympiad

On Wednesday 12th February, we sent our team of Ortia, Vinnie J, Daniel & Charlie B to Nexus to take part in the Cornish Schools Maths Olympiad. Over 25 schools from throughout Cornwall took part and our team of Y6 children came 10th overall! A series of very challenging tasks were set which involved a lot of problem solving and reasoning skills. The children all behaved exceptionally - they should be very proud!

Well done Ortia, Vinnie, Daniel & Charlie!
