

13th March 2020

Message from Miss Harvey

Dear Parents

Thank you for your patience this week. I am receiving daily updates directly from the Department for Education (DfE) and our central offices at Truro and Penwith. In school, we are undertaking regular and additional hand washing, and all pupils have access to tissues as and when needed. We are sending today a letter regarding our home learning portal. We would ask that you take the time to log on and register as a parent and then time to get to know the programme with your child. We are suggesting that this is the way we will set work should the school need to close. We had purchased the PurpleMash programme a few weeks ago to support the pupil's computer skills in school. However, the programme has responded to the developing concerns. It has developed ways in which we can now set and send work to be completed at home. Some of the children will have had a chance to log on in school already. The passwords and parent code are now inside your child's reading record book. We will keep you updated to any changes as and when we can. If pupils don't have access to computer or iPad at home can the parents let us know and we will support with paper-based activities and that reading books will be sent home also.

Lighthouse Keepers

JOSHUA TELLAM for enthusiasm and ideas contributed in class

EMILY ROGERS for always showing determination in her work

ELENA HAMMILL for working really hard at her reading

Class 3 Student of the Week

This week's Student of the Week in Class 3 is:

Rosa Hensler-Harris

Well done Rosa!

KS2 SATs Tests

The dates for the KS2 SATs tests are:

Week beginning Monday 11th May 2020 (Y6 children)

We would be most grateful if parents could keep these dates in mind when planning any holidays or short breaks away. Thank you.

School Meals - week beginning 16th March

Week 1

Visit from Chartwells

On Tuesday, we had a visit from Nicola Parry, a representative from Chartwells, who provide our school meals. Nicola spent the day here doing 'The Hungry Caterpillar' workshops and also Rainbow Wraps and below are some photos of the day. All the children put in a fantastic effort making their pictures and wraps and almost all tried something that they hadn't eaten before! Nicola also stayed and had lunch with the children.

End of the School Day

When collecting your child at the end of the school day, please can you ensure that they remain with you and not play on the Trim Trail or with the Polydron. During the day, children make various constructions out of the Polydron and it is very disappointing for them to find them dismantled by the following day. In order to adhere to safeguarding regulations, the gates will be locked quite soon after 3.00pm, so it would be appreciated if parents and children could exit the playground as promptly as possible after collection. Thank you.

Diary Dates:

Mar	27	Ancient Egyptian Extravaganza 9.15 - 10.15am School Council Book Sale End of Spring Term - 1.15pm
