A small FAMILY School...
...with a BIG heart ♥

5th June 2020

Dear Parents

We are slowly adapting to a new normal here in school. Keyworker children numbers are gradually expanding and we have limited space available now – so if you feel you may need keyworker provision and you qualify under the guidance, then please do contact me via email to arrange a space for your child.

Our Pebbles class returned this week and have shown incredible courage, they were, as we all were, apprehensive on Tuesday morning but have shown their flexibility to the new routines.

Thank you for your understanding and positive approaches to the new home learning systems. The paper packs have been flying out of the car park all week and we have appreciated seeing the work posted on the seesaw site. The work for next week can be collected from Monday, please note the children in year 2 and 3 had the complete pack last week – so there will not be a pack to collect.

Class two seesaw codes have been sent by email but can also be picked up from today. We apologise for the confusion in how to log on to the site but either the number code (from the email) or the QR code (collected from School) can be used to gain access to the student part of the page.

Our Virtue focus this week is **Tolerance**

Being tolerant of others is accepting differences if you are tolerant you do not expect others to think, look, speak or act the same way you do.

Tolerance is accepting things you wish were different with patience and flexibility.

This week is a good week to find out about others who are different from you. A challenge to us all would be to read a book or watch a film that you would not normally choose or that is about a different culture or people. From this, we will help ourselves to live with a better understanding of our differences.

Joanna Harvey
