Virtues

Next week, we will be learning about **Determination** (see below), and we will update you fortnightly on which particular virtue we are learning about.

Determination
You are practicing
Determination

You focus your energy and efforts on a task and stick with it until it is finished. Determination is using your will power to do something when it isn't easy. You are determined to meet your goals even when it is hard or you are being tested. With determination we make our dreams come true.

THE VIRTUES PROJECT™

when you...

- Believe what you are doing is important
- Set goals for yourself
- Stay focused without being distracted
- Keep going if it gets difficult
- Ask for help when you need it
- Finish what you start

Affirmation

*I am determined.
I set goals and keep going until I achieve them.
I get things done. I stay focused on my purpose.*

Cornish Hedge and Pebble Wood

Over the bank holiday weekend, work started on the Cornish hedge which will enclose "Pebble Wood", the woodland garden in memory of Sara Illsley. As well as being visually attractive, the hedge will serve the purpose of protecting the young trees from the wind. The work was led by Richard Pugh, a master hedge builder. A small group of parent, friend and pupil volunteers attended each day and were patiently trained by Richard in the art of hedge building. After three days, an impressive section had been completed. We now need to raise more money to continue the hedge. A big thank you to everyone who helped, especially to Lucy Trinder, who is coordinating the project. If you are able to offer support in any way, please contact the school. Please go to the 'News' section of our website to see some photographs.

Items Missing/Items Found

A large wicker basket has been left at school - possibly after the Easter Fayre - does it belong to anyone? Also, the Compton family have misplaced a large plastic box with a silver/grey lid. This contained cakes for the Easter Fayre - has anyone accidentally taken this home?
