Dear All

With such a significant change in the weather this week, could we please ask that all children have a coat in school every day, we often want to go outside in light drizzle and not all children are able to join us.

This week we have seen some wonderful examples of flexibility, and lots of children have shown their development in this virtue. Our Pebbles showed this when they undertook their baseline assessment tests, working diligently alongside Mrs Johnson to share all their fantastic knowledge – well-done Pebbles!

We had a special visitor in school this morning. Mr Gould, the new Director of Education from TPAT, visited to see how we are all getting along and talk through our plans for the year. He was impressed by our calm learning environment and was impressed with some of the work in books that he saw. We look forward to welcoming him back soon.

We are still awaiting final confirmation of the start of the building works, but hope it will be before the half-term holiday. We will all need to practice flexibility when the work starts, but the outcomes will improve our learning spaces. Further details will follow soon.

Huge thank you to Cornwall Ground force for their transformation of the wild area beyond Pebble Wood. The Pebbles have enjoyed discovering new areas for their forest learning this week.
