Dear Parents

What a strange week – I have chosen to stay away from school for most of this week with a positive test in my household, and have to say a huge thank you to ‘Team Kehelland’ for supporting each other through!

We started the week with ambitious plans to get everything ready for the big move prior to our building works starting and Monday and Tuesday all went to plan with the first move of Mrs Olds to her temporary office in the Blue room and the ICT team placing computers from the library into each classroom – so all children will be able to access these resources throughout the build.

Mrs Orchard and Mrs Arnold have worked tirelessly to move much of Class Three into the Library and are creating a wonderful learning space for the children for next term.

This week Mrs Hollywood and I finished our Inclusive Dyslexia Friendly Schools training and have some big plans for the integration of ways to support all pupils with resources and teaching techniques. We hope to work towards accreditation for the IDFS awarded within 2022!

On Monday we are looking forward to welcoming Richard from the Staysafe initiative back into school. Richard will be working alongside our wonderful year 5 pupils to train them up as Staysafe Mentors – the children will learn mediation and support techniques that will build a safer school community for us all. You can find out more here: [Staysafe Mentors](#)

I hope to be back in school early next week and look forward to seeing you all then.
