A small FAMILY School...
...with a BIG heart ♥

11th March 2022

Dear Parents

Another busy week at Kehelland where we were delighted to welcome our new Headteacher, Mrs Ellie Watkins into our school. Mrs Watkins is really excited about joining our school and by spending the day with us last Tuesday, was able to get more of a feel of what a special place this is. Some of you will have had the opportunity of meeting with her when she accompanied me on the gate.

The building works continue to develop and the new wooden floor in the hall is looking amazing!

Wet play today - turning Class 3 into a Table Tennis hall was fun!

The Y4 & 5 girls have returned triumphant having won the Dodgeball Festival!

Warm regards

Kyra Orchard

Lighthouse Keepers

Lexi B - for working extremely hard and showing confidence

Elena H - for fantastic effort in writing

Mikey C - for showing great enthusiasm and progress in his reading

Class 1

In their Wild Tribe learning this week, the Pebbles made the most of the newly refurbished vegetable beds. Linked to our current topic Ready, Steady, Grow, the children used small world toys to set up farm scenes, with animals, hedges, walls and tractors. They also enjoyed digging the deepest hole that they could! A big thank you to the parents for working so hard on this area of our school grounds. We cannot wait to start planting!

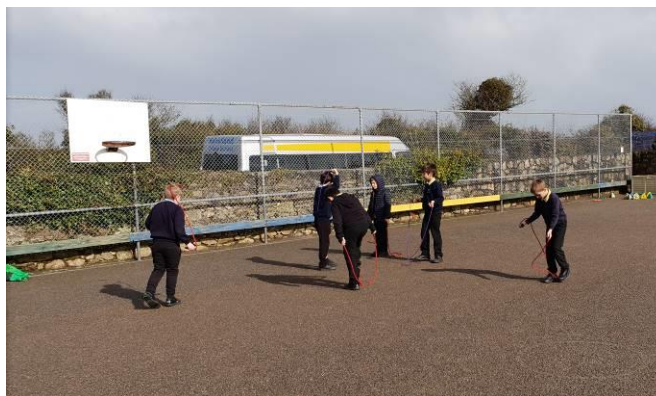

Class 2

Class two did some excellent team work skills this week. This week we looked at building structures and how to make them solid and secure. We used marshmallows, jelly sweets, spaghetti and cocktail sticks.

Class 2 keeping active and practising their skipping!

Class 3 Book Reviews

We heard a wonderful review from Grace this week. She shared her thoughts on the Warrior books which is a series of novels based on the adventures and drama of multiple clans of feral cats. The books were written under the collective pseudonym Erin Hunter and Grace was able to explain what this term meant perfectly! Her enthusiasm and wonderful presentation sold the book to lots of the children in class 3 - it has already been swapped and read a number of times!

Parking Issues

We have been made aware of some parking issues when dropping off and collecting your children which have been reported to Cornwall Council. Please may we respectfully request that you park responsibly using the lane adjacent to the school, Chapel Close - ensuring not to obstruct resident's drives, and the road leading down through and away from the village keeping a good distance from any corners. Please could parents also refrain from using the staff carpark in front of the school, both for Breakfast Club and After School Club. Thank you for your co-operation.

Red Nose Day - Friday 18th March

On Red Nose Day, we would invite children to come into school wearing some red clothing. We would ask that children avoid red face paint, red hair and red noses - thank you. For the privilege, please may we ask for a voluntary donation of £1.00 per child.

Reading

Wherever possible, please can parents try to hear their child read each night using the Vipers Question Book. Thank you. Please also see the poster attached to this newsletter - Supporting Readers at Home.
