

8<sup>th</sup> October 2021

Dear Parents

Exciting news at last... We have a start date for the building works! Contractors will start with the boiler replacement over half term then be onsite for the hall, offices and class three refurbishment straight after half term!

The creation of storage and a brighter, lighter learning environment will benefit all pupils, the trade-off will be half a term where we are all a little closer together as Class three will move into the library space for their lessons and Mrs Olds and I will take up residency in the blue room.

Access to school will remain the same for pupils but visitors will need to come to the library door (Class three teaching room) and ring for office staff to open the door.

For the duration of the work (approximately 8 weeks) we will have no access to the server kitchen so food will be delivered ready to eat – in the same way it was during lockdown. All meals will remain available... but ice-cream may need to be eaten first!

### Helping hands!

Huge thank you to Pete and Jenny Olds for helping us arrange and move the minibus this week prior to its MOT...It Passed!!! Mrs Arnold was super impressed when it was returned, clean, tidy and once again road legal. Thank you to Jack (Year 1) and Tamzin (Early recruit for future Pebble) for practising cleanliness in such a big way!

### Old friends return

We had a visit from Mr Kenworthy this week, He visited with two old friends Nuala and Evan. Year 6 had the opportunity to find out all about Camborne School. They asked some great questions and Mr Kenworthy was really impressed with both their knowledge and behaviour – Well done Year 6! Nuala and Evan were able to reassure year 6 that going to secondary school was not a scary prospect and that they were both enjoying the new experiences and challenges they had had so far.

A small FAMILY School...  
...with a BIG heart ❤️

### Special Delivery...

Ailla was very excited last Friday to have the opportunity to get her hands on our new books. Having won the Cornerstones competition, the books arrived the very next day. We could not wait to get them onto the library shelves. Ailla enjoyed looking at the books with Mr Eva at the after school club.

### Virtue

Having focused on flexibility for the past two weeks we hope all children and adults have stored lots up as our building works may test this virtue in us all.

### Courtesy

We have chosen courtesy as our focus Virtue for next week. Courtesy helps us to treat others with respect. Showing courtesy helps others to feel valued, cared for and respected.

We can show courtesy by using our manners. Using phrases like, Please, Thank you, Excuse me and You're welcome, Help us to show our courtesy towards others. We will all be looking out for these in use in school next week.

### Joanna Harvey

## Lighthouse Keepers

**Elliot V** - for determination in his writing

**Zayla L-L** - for working hard and always being enthusiastic

**Olivia A** - for working really hard at her reading skills

## School Meals - week beginning 11<sup>th</sup> Oct

### Week 1
