25th March 2022

Dear Parents/Carers,

This last couple of weeks have been challenging in school due to high staff absences primarily due to Covid. A huge thank you to the staff team here at Kehelland, who have been simply remarkable, stepping up to cover absent colleagues and also flexible to address the changing situation on a daily basis.

With higher rates in the community at present, please do continue to follow all government guidance to keep you and those around you, as safe as possible.

Fortunately, due to the warmer spring weather, the children have been able to get out onto the field and outdoor learning areas which has helped enormously. Hopefully this will continue until the end of term.

The building works are near completion and we're hoping at the start of the Summer Term to be back to normal.

Warm regards

Kyra Orchard & Jacqui Scarborough

Class 1

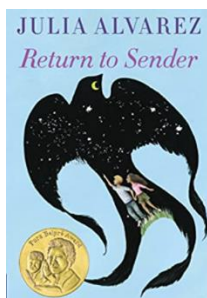

Next half term's topic for Class 1 is entitled Animal Safari. This project teaches children about the animals that live around the world and the importance of caring for our local and global environments. We will be exploring the variety of habitats in different parts of the world, and investigating how living things are suited to their habitat. We will be developing our mapwork skills, consolidating our knowledge of the world's continents and oceans.

Class 2

Class 2's topic next term is Urban Pioneers. We will be exploring the culture and environment of city life. The children will develop their knowledge of building design, urban art, learn how to improve urban environments and explore electricity. We will be reading 'Boy' by Roald Dahl and writing leaflets to attract visitors to a town or city centre. We will be urban pioneers so get ready to go!

Class 3

Next term, Class 3's text will be 'Return to Sender' by Julia Alvarez. Parents are welcome to purchase the book so that children may have their own copy if they so wish. Our Topic will be '**Hola Mexico**' where we will be exploring this unique country, from its towering temples and stunning geography to its pulsing rhythms and fun festivals. We will concoct a traditional fruit cocktail or a delicious Mexican meal. We will also be discovering the mysterious world of the ancient Mayan civilisation, learning poetry, playing traditional Mexican ball games and following all of their curious rituals. For DT we will also be designing a flute, grab a drum, join a tribe and making lots of noise!

School Meals – week beginning 28th Mar

Class 3 Book Review

This week, Will shared the funniest book he has ever read - Chaos by Matt Groening. We all loved the way Will presented his review in a comic style. The book has been rapidly making its way around the classroom and the humour and joy it has already spread, was just what we needed this week!

Diary Dates:

April	08	End of Spring Term - 1.15pm finish
	25	Beginning of Summer Term
May	09-13	KS2 SATs Week
