

17th September 2021

Dear Parents

We have had a wonderful week in school; the hall has frequently been filled with the sounds of Class 3 singing Shosholoza, a West African folk song, which has brought a feeling of joy and peacefulness to the whole school!

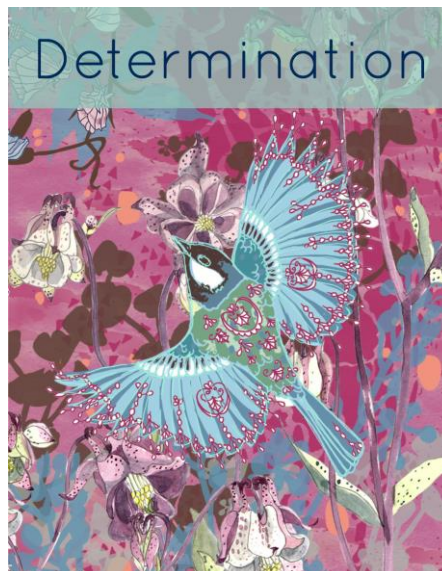

Unfortunately, we have also had our first positive cases amongst pupils and as that all parents take time to consider the contents of the attached Warn and Inform letter, we have been asked to send out, we know you will join us in wishing a speedy recovery to all involved. We would ask that you all continue to remind your children of good hand hygiene at all times to support us in our work at school – Thank you.

At the end of last week, I attended a building meeting to finalise the refurbishment of the school; we are lucky to have received full funding for the works from Truro and Penwith Academy Trust, who have also carried out all the tendering arrangements on our behalf. Work is due to start soon, and we will let you know of the changes to the school organisation that will be necessary whilst we undergo the works.

Determination - This week we have had a focus on determination as our focus virtue.

We have been looking at how we see determination in others and have talked about the amazing achievement of Emma Raducanu at the weekend as a great example of this virtue. When seeking to add to our determination and make it a character strength we can:

- Be clear about what we want to accomplish.
- Be committed to our goals
- Place our attention on what is important.

Pupils in Year six were lucky to attend Camborne School earlier this week to view the Explorer Dome, they all had a wonderful time and are impressed with the Dome. We want to thank Camborne School for arranging this and providing transport to and from their school. Thanks also to Mrs Arnold for accompanying the children.

Later in the Week Class three had a visit from Todd Harris to support the start of their science topic on functions of the heart. Under his expert tuition, the class learnt to listen to each other's hearts and record the results before and after exercise. The children had lots of questions for Todd about nursing and how the body works – fascinating! Thank you Todd.

Joanna Harvey

Headteacher

Lighthouse Keepers

Oscar A-M - for showing great resilience in coming into school in the mornings

Luke M - for resilience and working really hard

Felicity T - for showing determination in her work
