8<sup>th</sup> April 2022

Dear Parents

The end of another term and the end of my role of Acting Head at Kehelland. I have really relished the experience and am grateful to have been given the opportunity, despite it being a term full of challenges with the building work still going on and staff absences due to COVID rearing its ugly head and sweeping through the school. I am proud of the fact that we have been able to keep the school open with absolute skeleton staff and have continued to provide an excellent quality of learning with commitment over and above expectations from the brilliant staff members. Thank you all for your patience, understanding and compliance. If it wasn't for the flexibility of the staff and them giving up their own time we would not have been able to remain open. So thank you everyone for the amazing support you've giving me this term. Every day has come with new challenges but we have continued to be positive and support each other.

We also said goodbye to Jacqui Scarborough today, who has been an absolute rock in supporting me in the running of the school. Jacqui's experience, knowledge and passion for learning has been an inspiration and we presented her with a card and gifts today from the Kehelland family. Her words to the children were very heartfelt when she said "This has been the best school I have ever worked in and you are all amazing. You should be very proud and you have got a great team here to help you all." She has promised to come and see us in our new build when we are settled in, hopefully before the end of the Easter holidays if all goes to plan!

I have spent some productive transition time with Mrs Watkins (our new Head) over the last few weeks and we had the final handover on Tuesday with our Director of Education for the Academy. We are confident that it will be a smooth transition and Mrs Watkins is full of compliments about our school and very excited about her new role. We too are very much looking forward to the exciting prospects for our school. I will be supporting her as Deputy Head and also returning to the classroom 3 days a week. She has already been looking at revamping our website so watch this space!

Finally, I'd like to wish you all a Happy Easter, thank you for all your continued support and see you in the Summer Term!

Warm regards

**Kyra Orchard**

## Class 3 Book Reviews

For our final review of the term, Toby shared his thoughts about *The Beast* by David Walliams. As we have come to expect from Toby, his review was well written and delivered with great confidence! We all really enjoyed his observations about the main characters and his reflections on why the book didn't deserve a full five stars. He has set a very high standard for Scarlett and Edward who will be reviewing their choices next term. Happy Easter and well done to all the fantastic book worms who have shared their enthusiasm for reading with us in class 3.

## Easter Pebble Hunt

The children had great fun yesterday afternoon searching for their beautifully decorated Easter Pebbles. These had been previously hidden by our Y6 children and there was one for every child to take home as a keepsake. We do have Easter Pebbles for those children who were absent yesterday, and these will be given out after the Easter holidays.
