

17th February 2022

Dear Parents

Another busy week at Kehelland Village School! I am delighted to report that Miss Young and myself made a visit to the building works this morning and it is coming along in leaps and bounds – the new wooden floor will be going down in the hall next week. We have attached some photos at the end of this newsletter so that you can see the progress.

Children in Y5 made a trip to Tolvaddon Fire Station on Wednesday for a Junior Lifeskills Event, which they thoroughly enjoyed.

Please note that tomorrow – Friday – is an INSET day so the school will be closed to pupils in order to give the teaching staff time to plan together for the next half term.

I would like to take this opportunity of wishing everyone a lovely half term break and let's keep our fingers crossed that Storm Eunice doesn't do too much damage!!

Warm regards

Kyra Orchard

Lighthouse Keepers

Alicia C - for working hard & showing enthusiasm

Eleanor U - for showing courage in her work

Oliver W - for showing determination to improve his writing

Class 1

This week Class 1 were detective historians, finding out what Kehelland Village was like long ago. We looked at a map from 1900 and an old photograph. We noticed on the map that Kehelland used to be known as Kehellan (from "ancient grove" in Cornish) and we spotted the triangular plot where our school was going to be built. We could see that there were a lot less houses, and that there used to be a chapel opposite the school, not just a Sunday school. The roads looked much the same, but the road next to the school used to run all the way to Camborne, before the A30 was built. If anyone has any extra information, we would love to hear from you!

Y5 Junior Life Skills Event

Below are photos of the Year 5 Cornwall Junior Life Skills workshop supported by Tri- service Safety officers where the children learned CPR, Cornwall County Council traffic safety, GWR railway safety, and the Fire and Rescue service gave advice on fire safety in the home. The children learnt lots of valuable skills. Please encourage your child to share their knowledge with you.

Kidzrus Panto in St Ives

Lucinda E is in the chorus of this Panto and has been rehearsing really hard. There are performances throughout the half term holiday and people can book on <https://kidzrus.net/events/> if they'd like to come and see the performance. Sadly, this had to be postponed at Christmas so this is another chance to see a great show.

White Rose Maths App

Below is a link to the White Rose Maths App which is a 1 minute maths app which can be downloaded at home.
